

Announcing...

At last—an engineering and science experience just for girls! The University of Manitoba WISE program (Women in Science and Engineering) is proud to announce our new club “Kid-Netic Energy Girls!” For girls who love science, and for those who aren’t so sure but want to find out more, this club is the place to be! Each week members (Girls grades 4—7) will explore a new area of science, do an activity, meet with a mentor from the applicable profession or go on a field trip to a facility where real-life engineers and scientists are applying their engineering and science education. Programming will be provided by WISE staff; University of Manitoba undergraduate, female students in science and engineering.
